

**2009 NATIONAL COUNCIL ON ALCOHOLISM AND DRUG DEPENDENCE-SOUTH BAY
SUPPORT ALCOHOL-FREE SOUTH BAY YOUTH PLEDGE**

The National Council on Alcoholism and Drug Dependence-South Bay (NCADD- South Bay) is proud to support the **Support Alcohol-Free South Bay Youth** initiative which is designed to counteract the problem of underage drinking in the community.

Underage drinking can cause a multitude of problems within the community; however, it cannot be successfully addressed by focusing on youth alone. Every sector of the community has a role in preventing underage drinking. Addressing community factors that influence drinking behavior, such as youth access to alcohol and the promotion of alcohol, is a strategy that engages the society at large.

In an effort for South Bay community members to know that there are others supporting an alcohol free environment for our youth, NCADD South Bay encourages participants to include name and zip code.
